

Referring Partner Programme

At Sutterson Reed, we work alongside a select network of trusted brokers, advisors and professional introducers to help their clients access bespoke private credit, international banking and strategic financial solutions.

Whether the requirement is straightforward or highly complex, our role is to become an extension of your business — protecting your relationships while delivering solutions with discretion, speed and private office standards.

Why partner with Sutterson Reed?

- A trusted International Private Office
- Tailored private credit and banking solutions
- Cross-border expertise across multiple jurisdictions
- Institutional standards with a relationship-first approach
- Discreet execution from enquiry to completion

We act as an extension of your business, protecting your client relationships at every stage.

Benefits for your business

Referral remuneration

A transparent and competitive commission structure designed to support long-term partnerships.

Expand your capabilities

Offer bespoke private credit, international banking and strategic financial solutions without increasing your internal resources.

Protect your client relationships

We work alongside you, never around you. Your client remains your client.

Dedicated deal support

A single point of contact from initial enquiry through to completion.

Fast initial assessment

Clear feedback, realistic expectations and pragmatic solutions from the outset.

Benefits for your clients

Your clients gain access to tailored financial solutions designed for straightforward and complex situations, including:

- Bespoke Private Credit
- International Banking
- Multi-Currency Accounts
- Personal & Business Bank Accounts
- Foreign Exchange
- Company Formation
- International Corporate Structuring
- Bridge Finance
- Corporate Finance
- Private Office Coordination

Every case is handled with discretion, efficiency and a relationship-first approach.

Referring Partner Programme

How our partnership works

- You introduce your client or opportunity to Sutterson Reed.
- We assess the requirement and provide an initial indication of suitability.
- If appropriate, we coordinate the entire process, from onboarding through to completion.
- You remain the client's trusted advisor throughout the relationship.
- We keep you informed at every key stage with clear communication and complete transparency.

Our objective is simple: to strengthen your client proposition, protect your relationships and help you deliver exceptional outcomes.

Who we work with

We partner with:

- Credit Brokers
- Banking Professionals
- Wealth Managers
- Law Firms
- Financial Advisors
- Accountants
- Real Estate Professionals
- Professional Introducers

Built on trust, discretion and long-term partnerships.

A Partnership Built on Trust

We recognise that every referral represents years of trust between you and your client.

That is why we are committed to:

- Protecting your relationships
- Representing your reputation with professionalism
- Delivering exceptional client experiences
- Providing clear and transparent communication
- Building enduring partnerships founded on trust and discretion

Begin the Conversation

Whether you are looking for a trusted funding partner, international banking solutions or a Private Office capable of supporting your clients' broader financial affairs, we would be delighted to explore how we can work together.

Contact Sutterson Reed to discuss how we can become an extension of your business and deliver exceptional outcomes for your clients.
